HAMDEN HURRICANES FOOTBALL AND CHEERLEADING

Who We Are

Established in 1969, the Hamden Hurricanes of the Hamden Fathers Football and Cheerleading Association (HFFCA) has been serving families of Hamden and surrounding towns for 50 years. HFFCA is dedicated to providing athletic and academic opportunities to the youth of our community with the assistance of an all-volunteer staff.

It is the mission of HFFCA to provide every child with the opportunity to participate regardless of economic or social challenges and to expose them to life skills necessary to be successful in today's world.

In 2018, the Hamden Hurricane 12U Football team earned the title of National Champions. Following suit the next year, our Junior Pee Wee Cheerleading team earned the title of National Grand Champion in the Pop Warner National Cheerleading Championships in Orlando, Florida. We've had many successes on and off the field and we continue to do what we can to engage in meaningful ways with our youth.

As a non-profit organization, we need your help to continue to grow!

Exposure

On average, our league services 200+ families each year. Additionally, we welcome about 200 more families at our home field games 4 weeks out of the regular season.

We maintain a professional and consistent social media presence through our website and social media platforms. We nurture an online database of email addresses and contact information of all of our past participants. This allows us to market to potential customers for our organization and your business!

Our customer base is loyal and love to support our kids in all the ways they can. We want to help you get more transaction as you help us reach our fundraising goals.

For more information, please contact Calvin McGee,
President of the Hamden Hurricanes league.
