Established in 1969, Hamden Fathers Football and Cheerleading Association Hamden Hurricanes has been serving the families of Hamden for 50 years. HFFCA is dedicated to providing athletic and academic opportunities to the youth of our community with the assistance of an all-volunteer staff.

It is the mission of Hamden Fathers Football and Cheerleading Association, Hamden Hurricanes to provide every child with the opportunity to participate regardless of economic or social challenges and to expose them to life skills necessary for today's world

In 2018 Hamden Fathers Football and Cheerleading Association, Hamden Hurricanes sent our JR Varsity Cheer team went to Disney to compete at the National Cheer competition. We are proud to say our girls placed 5th Nationally. Our Jr Pee Wee team also won Southern Conference Championship, and are number 1 in the state of Connecticut. Our 12U Football team (12 year old division) achieved the ultimate goal of a National Championship!

We are a non-profit organization. And we need your help as our league continues to grow!

# Exposure

We service on average, 200+ families each year. We can have up to an additional 200 families at our home field games 4 weeks out of the season.

We also maintain an aggressive online presence, through our website and social media marketing. We nurture an online data base of emails addresses and contact info of all of our past participants. This allows us to market to potential customers for our organization and your business!

Our customer base is loyal and love to support our kids in all that they do. We want to help you get more transactions as you help us reach our fundraising goals!
